

About Conference

Conference “Research People and Actual Tasks on Multidisciplinary Sciences” the fourth International Conference organized in Bulgaria with basic purpose to create the framework for the presentation, debate and publication of the valuable scientific results obtained by both the young members. Conference organized by the Bulgarian National Society of Agricultural Engineers and Bulgarian National Multidisciplinary scientific network of the professional society for research work with the support of “Angel Kunchev” University of Rousse, National Institute of Research-Development for Machines and Installations Designed to Agriculture and Food Industry, Romania, University of Agricultural Sciences and Veterinary Medicine of Banat Timișoara, Faculty of Zootechny and Biotechnology, Romania. Society “ECOLOGICA”, Belgrade, Serbia

Aim of Conference

The aim of the Conference is to promote exchange of research results, scientific ideas and their practical implementation and development work in the various disciplines.

Topics

The main topics to be covered by Conference are:

- *Technical sciences
- *Computer Systems and Technologies
- *Information Systems and Precision Farming
- * Numerical Analysis and Applications
- *Agriculture and Veterinary medicine
- *Organic Agriculture
- *Processing & Post Harvest Technology and Logistics
- *Livestock Technology
- *Land & Water Use and Environment
- *Power and machinery
- *Physics, Chemistry, Biology,
- *Ecology and Environment protection
- *Social and human sciences. Economic sciences

Venue and Travelling

The conference venue will be at Ambelitz hotel in Lozenec seaside resort, 400 kilometers South East from Bulgarian capital Sofia from 60 kilometers South from Burgas. To arrive in Lozenec You can travel by plain, train or bus to Sofia or Burgas. From Burgas to Lozenec drives local bus. The transport is regular and fast.

Accommodation

Conference secretariat will book rooms at Hotel for authors who intend to attend Conference. For the participants of the conference the discount for early bookings is 20% off the regular price.

<http://www.ambelitz.com/indexen.html>

Registration fee

Participation fee of the Conference will be 70 €, for young people until 35 years old fee will be 50 € comprises Conference proceedings, conference materials and farewell banquet. These fees include one paper published. Only those papers of authors who pay the registration fee will be published in the conference proceedings ISSN 1313-7735. Some of papers will be published in the journal Balkan agricultural engineering review ISSN 1312-5443. <http://baer.uni-ruse.bg> Conference proceedings will be sending for evaluation into indexing databases (Index SCOPUS and CABI).

Language

The official language of the conference will be English and Bulgarian.

Call for papers

Abstracts in English not exceeding 200 words should be submitted before 20. April 2015. Each Abstract will be reviewed and the decision of the Scientific Committee will be conveyed to each author by 30. April 2015. The full papers must be submitted before 05. June 2015.

Authors can send their papers as attached files via e-mail to following address: aatanasov@uni-ruse.bg or vdotchev@abv.bg

Key dates

Submission of abstract	April	20, 2015
Notification of paper acceptance	April	30, 2015
Submission of full paper	June	05, 2015
Fee payment deadline	June	10, 2015

Conference Secretariat

Bulgarian National Multidisciplinary scientific network of the professional society for research work, 8, Studentska Street, “Angel Kunchev” University of Rousse
7017 Rousse
